Valin Named to Industrial Distribution's Big 50 List

Technical Solutions provider makes list for the fifth year in a row

San Jose, Calif. (October 2016)— Valin Corporation, a privately held, employee-owned company providing technical solutions for the technology, energy, life sciences, natural resources, and transportation industries was ranked 43 on the Industrial Distribution Big 50 List. This list recognizes the industrial market's 50 largest global distributors based on revenue. For five straight years, Valin has been named to this prestigious list.

"We're very honored to be included in the Industrial Distribution Top 50 list," said Joe Nettemeyer, President and CEO Valin Corporation. "The landscape of industrial distribution is always evolving, and it's up to us to continually understand what's most important for our valued customer base."

As an extension of the customer's design team, Valin's team of professional application engineers takes projects completely from design through production, taking the burden off of the customer.

The Big 50 companies are ranked according to 2015 total worldwide sales. Valin is focused on an open, adaptive workplace designed to deliver the very best customer service to its customers. In 2016, Valin launched their [new e-commerce site](#) in order to deliver an even more comprehensive customer experience.
