Valin Corporation Awards 2014 Supplier of the Year Award to Bosch Rexroth

Honor is suppliers first from Valin

San Jose, Calif. (Feb. 25, 2015) — Valin Corporation, a leading provider of process control and automation solutions for the technology, energy, life sciences, natural resources, and transportation markets, awards Bosch Rexroth as the 2014 Supplier of the Year. This is the first year that Bosch Rexroth receives Valin’s Supplier of the Year Award, an honor which recognizes the outstanding performance of manufacturers for automation, fluid management, precision measurement, filtration and process heating.

“I’m very happy to announce Bosch Rexroth as Valin’s 2014 Supplier of the Year,” said Joe Nettemeyer, President, Valin Corporation. “Bosch has a commitment to continuous improvement. Their ability to maintain high quality standards allows us to differentiate the services we offer in the marketplace.”

As a global partner, Bosch Rexroth supports mechanical and plant engineering efforts around the world with its cutting-edge technology and unique industry knowledge. More than 36,500 associates across the globe are developing tailored, safe and resource-friendly solutions. Its innovations deliver multidimensional enhancements for machine manufacturers and end users.

Other special recognitions were awarded to Omron for their Product Innovation, Mott for a Strategic Partnership, U.E. Precision Sensors for their Product Innovation, Parker Domnick Hunter for a Strategic Partnership and Metso for Product Innovation. Awards were given out at Valin’s Supplier of the Year Award ceremony held Friday, February 20, 2015.
