Valin Corporation Acquires Thermal Solutions of Texas
Acquisition adds to Valin's comprehensive process heating capabilities

San Jose, Calif. (Aug. 24, 2016)— Valin Corporation, a leading technical solutions provider in San Jose Calif., announces it has acquired Thermal Solutions of Texas located near Houston, Texas. The acquisition further expands Valin's process heating portfolio and was made effective on August 15, 2016.

"We're excited to announce that Valin has acquired Thermal Solutions of Texas," said Joseph Nettemeyer, President and CEO of Valin Corporation. "Our process heating solutions portfolio was one that we've paid particular attention to over the past few years. Thermal Solutions has always had a strong reputation in the industry and maintains an experienced and accomplished technical staff with extensive field experience on both a domestic and international scale."

Thermal Solutions of Texas provides comprehensive service and superior heating systems. Its 11,000 square ft. location houses a UL508 certified manufacturing/warehouse facility with diverse custom fabrication abilities, as well as ample space for its Inventory Stocking Program.
